

THE NEW SCHOOL OF ARTS NEIGHBOURHOOD HOUSE

The New School of Arts Neighbourhood House Inc. (NSOA) is a not-for-profit community-based organisation with a proud history of strengthening the Clarence Valley community since 1977.

Our neighbourhood centre, inclusive of the NSOA Early Learning & OOSH Centre, is centrally located in South Grafton. We coordinate Community Hubs in South Grafton and Baryulgil, and a number of community and youth programs and initiatives throughout the Clarence Valley.

Our work is grounded in the belief that every person has the capacity for change and growth. We walk alongside individuals, families, and community, building on their strengths, connecting them to resources, and empowering them as agents of their own lives. The work we do is shaped by community knowledge gathered by listening to people in the Clarence Valley.
